# IS HIRING!
# VENUE TECHNICIAN (part-time, 9 month seasonal contract)

For more than four decades, The Cultch has presented unforgettable theatre, dance and music, bringing world-class local, national and international presentations to thousands of patrons each year. We have a vibrant rental clientele and a unique Youth Program further extending our reach into the community. Located just off Commercial Drive, The Cultch is a great place to work. Our team members include people like you - **enthusiastic, innovative, passionate, detail-oriented and energetic.**

The Cultch operates three theatres: the Historic Stage and Vancity Culture Lab at The Cultch on Venables Street, and the York Theatre on Commercial Drive.

We believe you'll find our high-performance culture personally fulfilling, professionally challenging and artistically rewarding. Join our team and share our vision of a future filled with the best that contemporary art has to offer.

**The Venue Technician will work in all three spaces. Duties and responsibilities include, but are not limited to:**

- Help organize and execute lighting, audio and staging requirements of both presentations and rentals of The Cultch including preparing supplementary gear rental lists, colour and accessories needed for each show or event in advance
- Collaborate with the Technical Director and/or Production Manager prior to events
- Act as crew chief for load ins, load outs and/or restore shifts, ensuring safe working practices are being upheld, and that breaks and schedules remain on track
- Hang, focus, program lights in accordance with each Production's Designer or Director's vision
- Act as Show Head Electrician or Venue Technician on show runs as required
- Maintain storage areas, lighting gear and common theatre spaces for all 3 venues
- Organize and inventory theatre(s) gear and accessories regularly
- Assist in other Cultch production departments with advice and technical aid when requested
- Comply with BC safe working practice and methodology; instruction of other employees in proper work procedures and the use of safety equipment while working at height, either on ladders, or in personnel lifts
- Ongoing training and upgrading as required

Supervision shall include checking that all work is done in a manner that ensures the safety of the Staff, Performers and Patrons of The Cultch. All of the above duties and responsibilities are to be conducted in a cost effective manner, ensuring that productions stay on schedule and alerting the Production Manager of any cost overruns in a timely manner.

**Experience, Skills and Qualifications:**

- A post-secondary diploma in production and/or a minimum 3 years professional experience in technical theatre
- High proficiency in operating of ETC Ion console for theatre as well as live music events
- Thorough understanding and working knowledge of DMX control, including but not limited to LEDs, scrollers, I-Cues, Gobo Rotators, moving fixtures and other effects and accessories
- Experience with IT networks for entertainment, routers, IP addressing, etc.
- Experience reading lighting plots and associated paperwork
- Experience in supervision of technical personnel
- Experience with live audio
- Working knowledge of Digital Audio Consoles, Q-Lab, basic Audio and Audio Video and Projection Systems
- Working knowledge of theatre stage carpentry
- Computer skills including experience with Microsoft Word, Excel, PowerPoint, is an asset
- Level 1 Occupational First Aid certificate is an asset

**Other Required Competencies:**

- The ability to work to schedule and meet deadlines and work well under pressure
- Excellent interpersonal skills are essential for working with a diverse group of renters, producers, directors, artists, other staff and IATSE crew
- Ability to handle unexpected situations and work in a team environment including willingness to welcome and guide clients and crew through what our theatre has to offer whether they are designers, directors, artists or event organizers
- Ability to deal calmly and effectively with public emergency situations and audience safety issues
- Flexible schedule; ability to work evenings, weekends and holidays
- Physically fit in order to do multiple trips up and down stairs, ladders and comfortable working at heights
- Good communication skills and a love of performing arts

**Details:**

The Venue Technician reports to The Cultch Technical Director and Production Manager.

This is a Union position governed by the terms and conditions of the Technical Collective Agreement between the Vancouver East Cultural Centre and IATSE Local 118.

**Hours of Work:** This is a seasonal part-time contract based on 24 hours per week commencing on Sept 2nd, 2018 and ending at the end of May 2019 with an option to renew. Most work hours will take place on weekends, and in the late afternoon and evenings of weekdays. Some weeks will be busy, adding time to your time bank, and other weeks will be less so bringing the time owed back to zero. Overtime is calculated according to the IATSE Collective agreement and is entered into employee's time bank. Days off are based on the performance schedule.

**Remuneration:** $22.85 per hour plus 6% contribution to the health plan, 4% rrsp contribution less Union dues & employee 4% rrsp contribution

**Deadline for applications: August 8, 2018**
**Position start date:** September 2, 2018 (firm)
