Preamble:

VSO plans to take 2 HP on a BC tour at the end of September. There is not a pink contract and the work will be under the Vancouver Symphony Society's (VSS) collective bargaining agreement. If the employer attempts to discuss other terms or contracts, we recommend you do not discuss that with them and instead notify the local President immediately.

The work would be for the same rates as at the Orpheum. There would be accommodation, per diem and travel provided as per article 26.6 of that agreement:

26.6 TRAVEL EXPENSES

Should Employees be required to travel outside the following Municipalities: Vancouver, Burnaby, New Westminster, North Vancouver, West Vancouver, or Richmond, the following conditions shall apply:

1. *Accommodation expenses shall be paid by the Employer. Accommodation shall be the same as that provided to others, i.e. Musicians.*
2. *Should an Employee be requested and is agreeable to use a personal vehicle for the Employer's business; the Employee shall be compensated at the rate of forty-nine-and-one-half (49.5) cents per traveled kilometre.
