Notice of General Meeting: To be held in the Salons of the Queen Elizabeth Theatre on Monday March 18, 2013 at 1pm. Enter through the Hamilton Street door with the IATSE bug on it nearer to the Playhouse end.

Dear Brothers and Sisters,

At the last General Meeting an appeal of an Executive Board decision was introduced. At that January GM a member objected, saying that procedure had not been followed. The correct next step in the appeal process is to first appeal to the Executive Board itself as that was the ***body*** that rendered a decision that is the object of the appeal. I refer to the relevant Article from page 10 of the current C&B`s: *Article 8.7 (e) The Executive Board shall hear all appeals from any member pursuant to any decision by an officer, committee or* ***body*** *of this Local Union.*

The result of the appeal to the Board which is a request to expand the TUTS Roster will be announced at this General Meeting.

There will be a ratification vote held at this March GM for a renewed collective agreement with the Gateway Theatre. Negotiations were completed last week for a 3 year deal covering wages, benefits and jurisdiction.

The following is a Policy Proposal which has been properly moved and seconded by two members in good standing of this local. It was read at the last General Meeting without any discussion. It will be discussed and voted on at this March General Meeting. It will require a two-thirds majority of votes in the affirmative to pass.

OFFICER EXPENSES POLICY PROPOSAL (re Constitution and By-Law Article 9.7(b))

Whereas as there has been some uncertainty as to the interpretation of Article 9.7(b) with respect to Local 118 policies:

Be it resolved that the following policy governing travel and reasonable expenses for Officers attending meetings on behalf of Local 118 be adopted:

1. Constitution and By-Law Article 9.7(b) does not apply to Officers attending Executive Board, Regular, or Special Local Union meetings.

2. "Reasonable expenses" shall include, but shall not be limited to:

(a) cellphone purchase and/or service plan charges for the President, Business Agent, and/or Member(s) at Large; as recommended by the Executive Board, and ratified by the membership as part of the annual budget process.

(b) parking expenses for Officers assigned to attend other meetings on behalf of Local 118 on official union business.

(c) meal expenses for Officers assigned to attend other meetings on behalf of Local 118 on official union business, where such meetings include meal-time periods.

3. (a) Major expenses such as travel and cellphone charges must be billed directly to the Local by the service provider, and will be paid for directly by the Local.

(b) Expenses such as charges for parking or meals will be reimbursed to the assigned Officer(s) after original receipts for each expense have been submitted to the Executive Board for review and approval.

February 21, 2013

Please be advised that we have received official word from Vancouver Civic Theatres that effective March 1, 2013 anyone working in the LX, Sound or Video Departments must have an LPEC or higher certification (FE or LE).

Members who have paid dues for the year will be sent the balance of the stamps they have paid for when the next stamp order arrives from New York and sent in the next notice of meeting. Annual union dues tax receipts and Trust Account T-4's went out about two weeks ago. I will post a note as soon as I hear about any celebration of life event for our Brother Jim Barber who passed on January 29, 2013. The event previously planned is on hold due to Jim's wife Helen suffering a broken hip.

In Solidarity,

Mike Phelan,
President
